We wish you a healthy & happy 2022

We wish to express our gratitude to everyone in the Masters community for your continued patience and support throughout another challenging year.

With the IMGA team we're working hard to manage the developments and changes during the ongoing Covid-19 pandemic. 2021 may not have brought back the normalcy we all desire. Nevertheless, there were moments where you could enjoy your sport again in your local community and even sometimes internationally! It is more clear than ever that living an active and healthy life is beneficial for all.

We are looking forward to be able to enjoy sports together again at our IMGA Masters events.

For now, we wish you a restful holiday and a very happy new year!

The IMGA team.
