

Seven-times Olympic medallist Manuela Di Centa joins Lombardia 2024 Winter World Masters Games

Manuela Di Centa holds the Honorary Presidential role on the Organising Committee for the next edition of the Winter World Masters Games. She featured at five Winter Olympic Games, where Nagano 1998 marked her final competition as a professional athlete. She insists "the medals that we win in our life" are more important than sporting medals. We spoke with this sports icon recently and reflected with her on her career in cross-country skiing.

Masters athletes get a taste of the Winter Olympics at the Winter World Masters Games

Being able to compete in the same venues as Olympic champions is a dream come true for many participants. In 2020, during the Innsbruck Winter World Masters Games, two Olympic venues have been used again: the Patscherkofel – used for Alpine Skiing and Ski Mountaineering – and Olympiaworld, the venue for Figure Skating and Short Track Speed Skating.

The Lombardia 2024 Winter World Masters Games are partially held in the same region where the 2026 Winter Olympic Games will take place.

**"When motivation fails,
discipline and habits keep you going"**

We want to hear your stories in 2022

We believe there is so much we can learn from each other. With tons of life experience, there is an inspiring story behind every Masters athlete. A story about hope, about overcoming barriers, about motivation, determination and most importantly about one's dream and decision to live life without limits.

This year we would like to use our platform to share those stories to lift the Masters spirit and remind ourselves we are capable of anything if we set our mind to it. Are we choosing to sit and wait for something to happen or do we embrace life by making the most out of every day and focus on the things that make us feel alive.

Let's inspire and be inspired!

How does it work?

Do you have an inspiring story and want to be featured on our channels? This could be a story about how you have overcome difficult times in your life through sports. Stories about how sport has helped you stay motivated, stay healthy or maybe has been a life-changing experience. Stories about exploring the world through sport and meeting new friends.

We want to hear them all!

Learn more and submit your story for consideration.
