86 year old Mr. Yee still runs, cycles and swims his way to happiness

We are launching our brand new **'Sport for Life'** series this year! Kicking off with 86 year old Sze Mun Yee who feels sick when he doesn't get his daily physical exercise.

At the age of 58 he started with his first triathlon and from there on, the only way was up! By now he has finished 16 Ironmans, over 150 triathlons and he will join the competition in Jeonbuk, South Korea later this year in May.

The full interview will soon be featured on our You Tube channel and website.
